A WHOLE New WORLD OF ORGANIZATIONS

Campus Activities

A vital aspect of student life involves participation in campus activities, including Student Government, academic, social, and special interest organizations, and the many social, educational and recreational events which take place on campus. A diversified program of events is planned by the students on the Campus Activities Board, working with the Director of Student Activities. Each semester features a wide range of activities such as comedians, musical performers, game shows, concerts, films, bus trips, lectures, hypnotists, and many other special events. In addition, many academic departments schedule special programs of general appeal. Department offerings have ranged from nationally-known poets to state officials and leaders from industry and community life.

Campus Activities & Organizations

The Student Union serves as the "family room" of the campus where, in an informal atmosphere, all the members of the campus community can gather to interact socially and intellectually outside the classroom. For some it also serves as a laboratory of citizenship, training students in social responsibility and leadership in community life. Programs offered at the Student Union provide cultural, social, and recreational activities designed to complement academic endeavor. All such programs are intended to encourage self-directed activity, giving maximum opportunity for self-realization and for growth in individual social competency and group effectiveness.

The Student Union facility includes lounges, study areas, meeting rooms, snack bar and dining hall, a recreation room, student organization offices, intramural facilities and offices for Campus Security, Peer Advisors, Chaplain, the Student Senate, Student Activities, Counseling Services and Career Ser-

vices, and Radio Station WVYC.

Organizations

Over sixty organizations provide opportunities for students to become involved in special interest groups.

Student Senate

The Student Senate, as a representative body provides the means for: 1) responsible and effective student participation in the organization and control of student affairs, 2) taking action in the best interest of the student body and college community, 3) providing an official voice through which student opinion may be expressed, 4) fostering awareness of the student's position in the campus, local, state, national, and international communities.

Officers and student senators are elected by the students. Students are chosen by the Student Senate to participate on Faculty Senate Committees. Members of the Student Senate invite interested students to participate in any Senate function. The Senate meets weekly, with two faculty and three administrative advisors. Meetings are open to any member of the student body.

Special Interest

Accounting Club

The goals of the Accounting Club are: 1) to unify the accounting majors at YCP, 2) to broaden the understanding of the accounting profession, 3) to promote the understanding of accounting theory and practice, and 4) to provide a social network of peers and business persons. To accomplish these goals the club has regular meetings, presents outside speakers, operates a tutoring service, and engages in social activities. All YCP students are welcome.

Biology Club

The purpose of this organization is to provide biology and

allied health students with an opportunity to extend their knowledge of biological and social mechanisms, and to provide those students with an avenue to share their knowledge with the community. The Biology Club seeks to stimulate camaraderie among students with similar interests.

American Marketing Association

In 1990, the YCP Marketing Club became a chapter of the American Marketing Association. The club is a social and informational organization open to any student interested in getting ahead in the business world. The club is designed to serve as medium of exchange of knowledge in the field of marketing. As an AMA member, students will enjoy a trade journal throughout the year. Programs, guest speakers and field trips to marketing related businesses are a large part of the club's activities. After being an AMA member during college, students can then join the professional chapter of the American Marketing Association at a reduced rate for the first year.

Campus Activities & Organizations

Black Student Union

The B.S.U. is a service group organized to provide unity and leadership to students who are interested in stimulating and educating other students and the community on topics concerning black people. The organization is open to all students.

Campus Security

At York College one can feel the effects of a friendly and safe campus, although no college can offer 100% guarantee of safety. The York College Security Department offers twenty-four hour security coverage which provides the kind of environment that is stimulating, supportive, and free from

unnecessary risks.

Catholic Campus Ministry

Catholic Campus Ministry is a national religious organization which fosters and promotes the welfare of all college students, faculty, and administrators. Catholic students come together to pray, to socialize, and to celebrate the gift of life and its talents by serving others. This ministry provides a means to seek community, build relationships, and find direction as a link between the past and the future.

Christian Life Fellowship

Christian Life Fellowship, through community service and campus service projects, social fellowship and worship hopes to gain a closer understanding of how God interacts with people as individuals and in groups. The Christian Life Fellowship organization will help bring students closer together as a group while gaining personal development through service projects, fellowship and spiritual enhancement.

College Republican Club

The College Republican Club is an organization which helps to make known and promote the principles of the Republican Party among students of YCP. They aid in the elections of Republican candidates at all levels of the government and strive to develop political skills and leadership abilities among YCP students as a preparation for future service to the Republican party, and to the community as a whole. Regardless of political affiliation, all are welcome to join.

Data Processing Management Association

The D.P.M.A. is a national organization

which is based in the business community. Overall the majority of members are people working in the computer field, with an active percentage being students. The purpose of the York College chapter of D.P.M.A. is to bridge the gap between the theoretical training of college and the computerized world of business. This is accomplished through demonstrations, tours, guest speakers, and through monthly dinner meetings where students can socialize with people in the computer field.

Forensics

This organization is designed for students who are interested in improving their speaking and presentation skills. As a member of this organization, students can be active in intercollegiate tournament competitions, give speeches on campus and in the community, and join the Pi Kappa Delta National Forensics Fraternity. Course credits for the organization can be earned through the Speech Practicum.

German Club

This organization aims to stimulate an appreciation of the German language, culture, and people, through activities and programs that further student interest. It is open to all students interested in German culture.

Campus Activities & Organizations

Hillel

This national organization offers spiritual guidance and other activities for members of the Jewish faith. The YCP chapter was formed by interested students, faculty, administrators, and members of the local community to facilitate the special needs of Jewish students at York College.

History and International Studies Professional Organization

H.I.S.P.O. is an organization devoted to the exploration of career opportunities for students in the fields of History, Political Science, and International Studies. H.I.S.P.O. arranges public lectures by professionals in the related fields (professors, authors, and museum curators), holds "roundtable" discussions on current controversies, and participates in the field trips to museums, archives, and conferences. This organization also provides members with the opportunity to gain work experience in their prospective fields through the Daughters of the American Revolution, the Historical Society of York County, Hispanic Students Organization, and other such organizations in the York County area.

History, Intercultural, and Political Science Club

Intellectual and social interests are satisfied through the use of seminars, forums, discussions, visiting lecturers, and field trips. The club is interested in helping students explore and develop an interest in all phases of history and contemporary world problems. The organization is open to all York College students.

International Students Club

This organization promotes a positive atmosphere for international students to socialize and investigate the values of all foreign cultures as well as American society. The club shares with all American students a wide range of personal, social, and political experiences. Membership is open to all students with an interest in foreign cultures.

Inter-Varsity Christian Fellowship

A Christian organization with a three-fold purpose: 1) to lead others to personal faith in Christ as Lord and Savior, 2) to help Christians grow toward maturity as disciples of Christ through study of the Bible, prayer, and Christian fellowship, and 3) to present the call of God to York College, helping student's and faculty discover God's role for them. All meetings are open to anyone regardless of religious background or church affiliation.

Campus Activities & Organizations

Peer Advisors

A Peer Advisor is a trained upper-class student who assists a small group of new students during their first year here at York College. The Peer Advisors hold meetings and activities regularly throughout the first year to help orient freshmen and transfers to college life. This program has proved to be helpful in making the transition easier and more enjoyable.

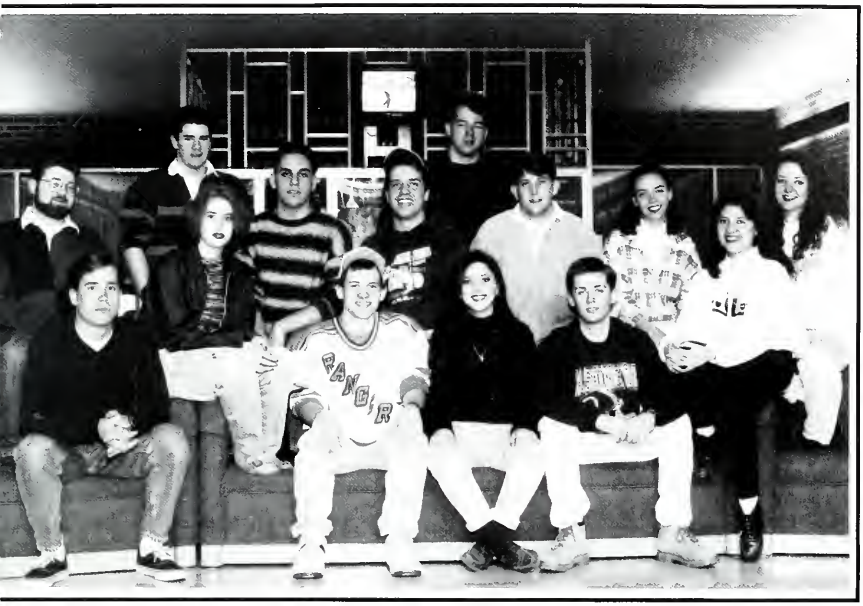

Phi Sigma Pi

A national, co-ed, non-greek Honor Fraternity, Phi Sigma Pi dedicates itself to service. Founded on a tripod belief of Scholarship, Leadership, and Fellowship, the brothers of Phi Pi seek to accomplish these endeavors by maintaining a minimum GPA of 3.0, participating in campus leadership positions, and socializing among the college community. Look for our rushes each semester, and come find out more about your slice of the Pi!

Recreation Society

The Recreation Society is an organization established to encourage participation in career-oriented programs and promote professionalism among recreation majors. The Society provides opportunities for profes-

sional development and educational enrichment through membership in and close association with the Pennsylvania Recreation and Parks Society. In addition, the Society strives to develop an awareness of opportunities available in the recreation field.

Rugby Club

The York College Rugby Club is an athletic organization open to all males, freshmen through seniors. The club began in 1986 and has since grown into a highly respected organization on campus with over thirty members. York College Rugby is affiliated with the Eastern Pennsylvania Rugby Union and fully insures all its players. Matches are played against both college and men's sides. The club competed successfully to become the 1990 Associate Division Champions and were winners of the first annual Juniata Tournament.

Ski and Outdoor Club

The YCP ski and Outdoor Club is organized to provide an opportunity for skiers from beginner to expert and anyone interested in outdoor recreation to meet and enjoy their sport. Special events are planned at local and regional resorts; many where discount rates are offered.

Society for the Advancement of Management

The Society seeks to provide a bridge between the theoretical training of the College and the practical world of business by bringing together business executives and management majors. The club serves as a medium of exchange for information in management and industry, and provides students with an opportunity to participate in planning and directing organizational activities. Membership is open to all majors.

Society for Human Resource Management

The Society for Resource Management is an organization for those interested in learning more about the Personnel Resources field. This national organization was formed in 1948 and encourages members to develop and maintain competence in the rapidly changing human resource management field. Student membership in S.H.R.M. supplements your classroom education with a problematic "on the job" perspective of S.H.R.M.

Campus Activities & Organizations

Student Education Association

S.E.A., in affiliation with the Student Pennsylvania State Education Association, seeks to develop an appreciation of the teaching profession. Opportunities to develop an understanding of the teaching profession, leadership training, and to stimulate attitudes and growth toward the orientation of the organized teaching profession are offered.

Student Nurses Association

Membership in this pre-professional organization is open to any student pursuing the nursing degree. It is a constituent of the National Student Nurses Association and the Student Nurses Association of Pennsylvania. S.N.A.Y.C.P. endeavors to promote nursing professionalism throughout its many health-promoting activities, awareness of health related issues, and interaction with the Nursing Program, including peers, faculty and curriculum.

Tae Kwon Do

TKD is Korea's national sport and one of the most popular forms of self defense in America. Through the sport, stu-

zon is a chronicle in pictures and words of the events and emotions of the school year. This publication offers the opportunity to develop and practice responsible journalism, business management, photographic and artistic skills. The Horizon also allows students to meet new people and make new friends. Anyone interested in being part of the Horizon Staff is encouraged to stop by the Horizon office and complete an application. No experience is necessary.

dents are given the opportunity to develop and challenge their mental/physical abilities, i.e. meditation, improved flexibility, strength, coordination, and tournament competition. The art form is taught by instructors with more than thirty years of combined experience in TKD. Promotions are awarded according to ability.

The York College Karate Club

The York College Karate Club is a fun and innovative approach to martial arts training. Classes emphasize warm-up, acquisition of new skills, and light sparring.

The Players

Open to all students, the YCP Players promote appreciation of drama and offer students opportunities to take part in theatrical productions, many of which are student directed.

Student Publications

Horizon Yearbook

The Horizon Yearbook is produced by a volunteer student staff. Offices are located on the lower level of the Student Union. The Hori-

The Spartan Newspaper

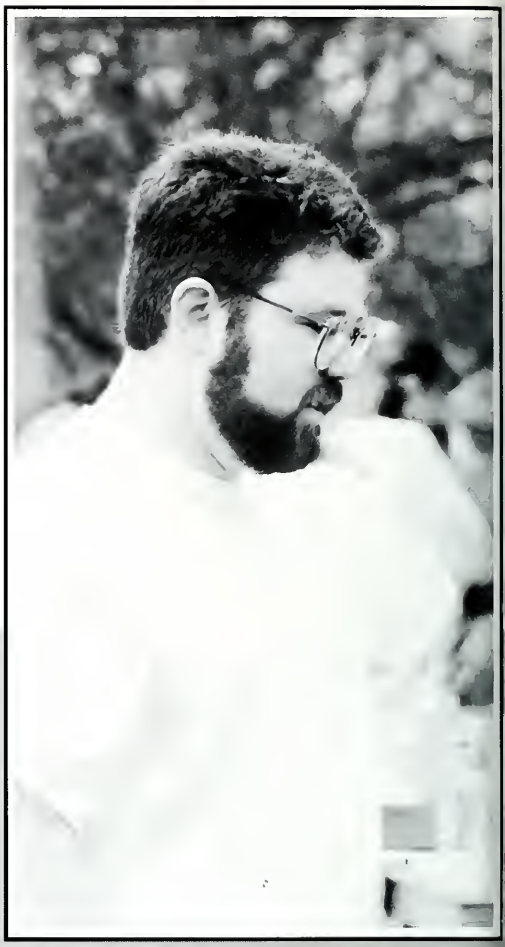

The Spartan is the weekly campus newspaper created entirely by students. The office is located in the lower level of the Student Union. The Spartan was estab-

lished as a source of information, a student forum, and as an opportunity to provide students with experience in journalism, advertising and business management. Any student interested in news writing, entertainment writing, production, advertising sales, proofreading, layout or word processing is encouraged to join the staff of the Spartan. The newspaper not only includes campus and community news but also national news of interest to the college student.

WVYC Radio

WVYC FM88 and AM640, located on the upper level of the Student Union, is a 10 watt non-commercial educational station operated by a student manager and staff. The station operates seven days a week while classes are in session, serving as an information and entertainment medium for the College and the York community. It also functions as a training facility for any interested York College students.

Campus Activities & Organizations

Musical Groups

The College Chorale

The Chorale is York College's premiere choral ensemble. This group of dedicated singers maintains a rigorous weekly rehearsal schedule represent many different student groups on campus, with almost half being music majors.

Our repertoire is versatile, including pieces ranging from the great classics to contemporary folksong settings. The Chorale performs on and off campus and is open to all students with an interest in chorale music.

The College Singers

Established in 1900, the York College Singers is a unique organization that performs fully staged and choreographed excerpts

from selected Broadway musical and operettas. Our organization is dedicated to the development of music theater techniques for the singer. The Singers present a major program every semester and is open to all students with experience in singing and acting.

The Symphonic Winds

The Symphonic Winds offers an exciting musical experience for brass, woodwind, and percussion players. These dedicated musicians rehearse weekly and include students from all academic disciplines on campus, including music majors.

Our repertoire includes compositions and arrangements for the concert band from the traditional to the contemporary. The Symphonic Winds performs every semester and is open to all students who want to play their horn where it counts.

Music & Theater Co.

Founded in 1990, Music Theater & Co. is dedicated to the production of full scale Broadway musicals. Our organization is responsible for the annual Summer Dinner Theater production, drawing large crowds from the College and surrounding community. Any student with singing/acting experience is invited to join this dynamic group of performers. Auditions are held prior to each production.

The Jazz Ensemble

One of the oldest music groups on campus, the Jazz Ensemble, studies improvisation and performs in all jazz styles, including big band, bebop, cool, blues, fusion and rock. Our group is open to all students with concert or stage band experience and maintains an active performing schedule.

The Symphony Orchestra

The Symphony Orchestra is always popular with audiences, and has established a reputation for presenting exciting and highly entertaining concerts every semester. The annual "Pops" Concert is always heavily attended with standing room only. The Orchestra is open to all students with string, bass, woodwind, or percussion experience.

Guitar Ensemble

An ensemble of two or more guitars in combination with other instruments and voice, performing a wide range of literature from the Renaissance to contemporary standards. Performs on and off campus.

Wind and Percussion Ensembles

Musical ensembles of varying combinations of brass, woodwind, percussion, and handbells, perform the music of the masters and contemporary standards. Performs on and off campus.

GREEK COUNCIL

This year the Greek Council, along with the Panhellenic Council and the Interfraternal Council, has played an important part at YCP. At the beginning of the year the Greek Council sponsered a "GO GREEK" forum for incoming freshman and other interested students. The forum was repeated agin in the Spring semester. The Greek Council helped promote socialbility among the 19 Greek organizations by hosting two ALL GREEK happy hours at Depot. The Greek Council also helped the community of York through a canned food drive held at the beginning of the Spring semester.

GREEK COUNCIL EXECUTIVE BOARD 1994-1995

Dylan Tester - Chairperson
Jenni Serumgard - Vice Chairperson
Kerry McLaughlin - Secretary
Kristina Breen - Treasurer
Todd Gagliano - Parlimentarian

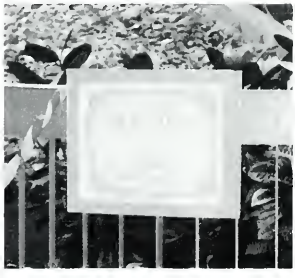

Greek Week was held the week of April 23- 29. During the week, the nine sororities competed against each other in Flag Football, Volleyball, Kickball, Water Polo, Basketball, Soccer and Floor Hocey. The 10 fraternities competed in Flag Football, Volleyball, Basketball, Wrestling, Water Polo and Soccer. Unity Day was held on Wednesday, April 26. During the day fraternities and sororites were matched up and participated in events such as: a canned-good tower building contest, in which over 800 cans were donated to charity, a 3-legged race, dizzy bat spins and an egg and balloon toss. The afternoon ended with a picnic hosted by Dr. Waldner. Greek Week ended on Saturday, April 29 with all organizations competing in a Tug-O-War contest. The winners of Greek Week 1995 were:

The 1994/95 Spartans were the most successful team in school history. With the leadership of CAC Coach of the Year Jeff Gamber and the support of rabid YCP fans, they won the CAC regular season title and finished second in the conference tournament.

Most importantly, the Spartans moved past the CAC tournament in 1995. For the first time ever, "March Madness" hit YCP as the Spartans' school record 20 wins and 13-1 conference record helped them gain an invitation to the NCAA tournament, where they played a first round game at Cabrini College.

This achievement was especially notable as five seniors were on the team. As a whole, these five players--Dan Johnson, Jeff Landis, Mike Smith, Dean Gamber, and Scott Duncan--won more games than any class in school history. In addition, these seniors set a number of individual marks including points scored in a season and field goals made (Johnson), and career games played and career steals (Landis). All-CAC selections Johnson and Landis are also two of eleven players in YCP history to score over 1000 points in a career.

The 1994 soccer team finished the year with a 7-8-3 record. One of the things making this season hard for the team was injuries to four of its players, including goalkeeper Vince Bianco, who still finished the saeson leading the conference in save percentage. They lost a tough CAC semifinal match to Salisbury State to end the year.

The team was paced by its four All-CAC selections in first team goalkeeper Tom Sullivan and second teamers Ben Ossei-Akoannor, Adam Doutrich (the team's leading scorer), and Jason Snyder.

The Spartans played a tough schedule in 1994. They played traditional power Gettysburg close in a 2-1 defeat, and finished third in the competitive Capital Athletic Conference. The team will look to its younger players to step up next year as the Spartans will graduate four of their key players.

Volleyball

The 1994 volleyball season began with the introduction of new assistant coach Sue Dumars. The Spartans wasted no time getting the year started, playing in the Red Dragon Volleyball Classic before the school year had even started.

The team played the year with only eight athletes, and struggled at times, especially early in the year. The Spartans still finished 7-3 in the conference. For the fourth year in a row, the Spartans played in the conference championship match. However, they couldn't win the CAC title, losing to Catholic at home.

Once again, Becky Toms was the team's standout, and she was named CAC Player of the Year. She also led Division III in kills per game. With Toms graduating, younger players including Leah Peters and Josie Cranston will look to lead the team tothat elusive conference title.

Wrestling

The 1995 Spartan wrestlers had their most successful campaign in school history this year. They broke the school record for wins, with 20 victories against 3 losses. Individually, five wrestlers won 20 or more matches.

At the Metro Conference meet, the Spartans finished second behind nationally ranked Trenton State. Nine of the ten Spartnas wrestling at this meet fininshed in the top six in their weight class.

Tom McAleer (28-6), Academic All-American Jared Goodman (24-4) and Andy Miller (22-6) all qualified for the NCAA tournament in Augustana, Illinois. Other Spartan standouts included Academic All-American Chris Dentler (18-11), Dale Knause (18-10), and Rod Myers (26-6).

A WHOLE NEW WORLD AWAITS US

1995 News From Around the World

Refugees fleeing the dictatorial regime of Fidel Castro were refused entry into the United States. President Clinton ended 28 years of favored treatment for Cuban refugees. He ordered U.S. ships to intercept those fleeing Cuba by boat to detain them at the U.S. Navy base in Guantanamo Bay. Castro was allowing the refugees to leave the island country and tens of thousands boarded make-shift vessels bound for Florida. In 1980 Castro flooded Florida with more than 125,000 Cubans. It was known as the Mariel boat lift.

At 31, Jerry Rice had the National Football League record for career touchdowns. And then, the 10-year pro with the San Francisco 49ers became the league's all-time touchdown scoring leader. His two touchdown receptions and 23-yard scoring run in the season-opening 44-14 victory against the L.A. Raiders increased his career total to 127. That was one more than Jim Brown had when he retired in 1965 after nine seasons with the Cleveland Browns.

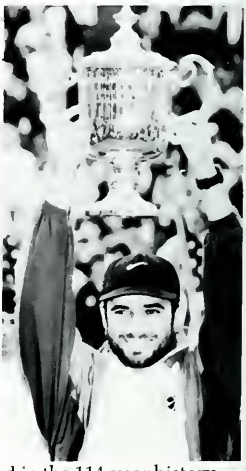

Tropical Storm Alberto hit the South, and the Georgia floods made history. The storm unloaded more than 20 inches of rain and caused flooding that killed 31 people. Forty-nine counties were declared federal disaster areas and about 46,000 people were driven from their homes. In Albany, 30,000 people were evacuated and 9,200 houses and apartments were damaged or destroyed.

The Media vs O.J.

It was called the trial of the century. The trial of **O.J. Simpson**. He was accused of brutally murdering his ex-wife, Nicole Brown Simpson, and her friend, Ronald Goldman. There was so much interest in the case that even the preliminary hearing was televised nationally. Simpson put together an expensive "dream team" of lawyers, lead by Robert Shapiro. On the prosecution side, prosecutor **Marcia Clark** represented the district attorney's office.

Andre Agassi was the people's choice at the U.S. Open Tennis Championship in New York. It was an easy win against Michael Stich of Germany. The 24-year-old Agassi became the first unseeded player to win the crown since Fred Stolle in 1966 and only the third in the 114-year history of the tournament. It was Agassi's first U.S. Open title.

After 46 years as enemies, Israel and Jordan made peace and all but ended the threat of another war between the Jewish state and its Arab neighbor. With President Bill Clinton presiding at a White House Mideast Peace ceremony, Israeli Prime Minister Yitzhak Rabin and King Hussein of Jordan met in public for the first time, shook hands and signed "The Washington Declaration" that announced: "the long conflict between the two states is now coming to an end. In this spirit the state of belligerency between Israel and Jordan has been terminated."

The torch was passed in the summer of 1994. After hearing about the legendary rock festival from their parents for years, a new generation seized the opportunity to create their own Woodstock. And Woodstock '94 was born. Several hundred thousands of people arrived at Saugerties, N.Y. for Woodstock '94. From folk music to heavy metal, the weekend concert was filled with music almost 24-hours a day.

Heather Whitestone is deaf and she achieved her goal of becoming Miss America. The 21-year-old native of Birmingham, Alabama, who became deaf at the age of 18 months after a reaction to a diphtheria shot, has 5 percent hearing in her left ear. The Junior at Jacksonville State University reads lips, uses a hearing aid and knows sign language. But her disability didn't impair her ballet performance at the Miss America competition -- even though she could only feel its vibration.

Although a referendum for independence from Yugoslavia was passed in 1992, war and desperation continued to be part of life in Bosnia-Herzegovina. Ethnic Serbs' opposition sparked fierce fighting. Serbs massacred thousands of Bosnians, mostly civilians. And it wasn't long after the referendum was passed that Serb nationalist forces occupies 70 percent of Bosnia, with Croats holding a small area. A year later, 1993, Bosnian Serbs, Muslims and Croats agreed in principle to partition the country into autonomous ethnic regions. But as 1994 drew to a close, the fighting continued and negotiations on a peace plan made slow progress.

More than 5,000 people died in a violent earthquake that rumbled through Kobe, Japan on January 17, 1995. What had been a bustling region of office towers and apartment buildings was turned to ruble. Estimates of the damage ranged from $100 billion to $130 billion, and some 270,000 people were forces to live in refugee shelters because their homes collapsed or were unsafe.

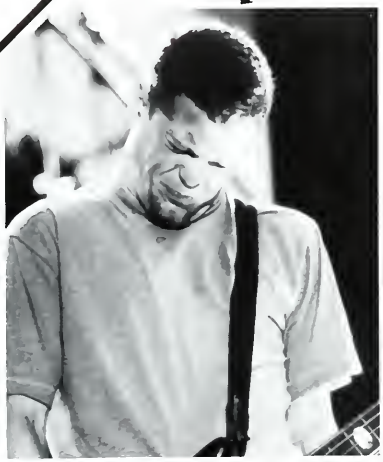

Forest Fires swept across more than a dozen western states. An eight-year drought brought the United States its worst forest fires since the 1920's, blackening some 3 million acres. Fourteen firefighters were killed in a blaze in Colorado. Thousands of firefighters from all over the country were mobilized to keep the fires under control.

1995 News From Around the World

The Baseball Season ended early in 1994. The players went on strike in August and a month later the owners voted to cancel the remainder of the regular season, including the playoffs and the World Series. It was the eighth strike in 23 seasons. The dispute centered on the owners' demand to create cost controls through a salary cap. The players wouldn't accept it and went on strike. It was the first time since 1904 that the World Series, which had survived world wars and an earthquake since its inception in 1903, was not played.

Metallica is no ordinary heavy metal band. Over the last 13 years the band gained a reputation as a real talent. As one critic said: "Their style combines distortionless, complicated guitar parts and defiant vocals with rhythms that are much faster than the beat of the human heart." The effect is jarring and exhilarating. Their latest album called "Metallica" hit the top of the charts.

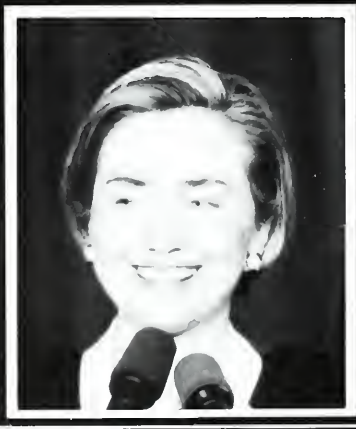

The 1994 World Cup soccer competition was played in the United States. In this photo, the U.S. team played Brazil but lost 1-0 in the second round. Brazil advanced to the finals and in the final game it was Brazil vs. Italy. An estimated 2 billion people worldwide watched Brazil battle Italy to a 0-0 tie for 120 minutes at the final game played in the Rose Bowl. Brazil won 3-2 in a shootout.

The Clinton Administration

President Bill Clinton entered 1995 with hope for a better year. Although he won a significant political battle with the Crime Bill, he lost the Health Care proposal that he battled for all year. First Lady Hillary Rodham Clinton was the strongest supporter and advocate of the President's health care plan. She became the leading advocate and spokesperson for the President's health care plan and campaigned across the country for its success in Congress. When it failed to become law, she vowed to take up the fight in 1995.

The San Francisco 49ers scored early and often in Super Bowl XXIX to defeat the San Diego Chargers 49-26 in a game that turned into the rout the experts had predicted. For the 49ers quarterback Steve Young, the win put him in the record books. Young was unanimously named the game's most valuable player. He passed for 325 yards without an interception and ran for 49. His six touchdown passes broke the Superbowl record.

Editor's Remarks

After eight years of producing Yearbooks, I'm finally finished! The past eight years have been filled with many triumphs, and many problems. I've enjoyed capturing history for the hundreds of people who were interested in remembering their time at York College, and have thoroughly enjoyed the friendships that have developed from my time on the Horizon staff.

I am grateful for all of the dedication, insight, professionalism, wisdom, and friendship my staff members have given me over the years. I am also grateful for the patience and understanding of my friends and loved ones in dealing with me during these years. I am also sincerely grateful for the support and generosity of the people who make the Horizon Yearbook possible, the customers - the students and their families who care about history - their history!

After eight years of yearbooks, I will miss it, but I'm ready to move on! Good luck to the 1996 Horizon Yearbook staff, and thank you York College of Pennsylvania!
